

My Role in AASC

As an associate member, how can you get involved with AASC?

What does the Associate-at-Large member do?

Connects with associate members

I don't know

Communicates Associate member issues with EC

Promote information exchange between associate members. I like the Facebook page.

Represent the interests and value of the Assoc members

Rally the Troops

represents associate members on the executive committee

I'm not really sure! I assume to represent associate members (issues, etc.).

advocate and be a voice for associate membership

What does the Associate-at-Large member do?

Learn about the group and possible collaborations

Conduit for concerns from Associate Members to EC.

Represent the associate members (issues, interests, and concerns) and help bring a voice to the Executive Committee

Represents the group of Associate Members at Executive Committee Meetings. Given that we are paying more dues than Full Members, this is an important seat to hold.

supports the executive committee

Bring concerns of Associate members to the attention of the Executive Committee, make sure the Associate members know their views are important.

I don't know

Serves as the voice of the associate members, represents us on the EC, brings issues to the EC

Supports associate members and listens to our concerns/issues/problems

What does the Associate-at-Large member do?

interacts with the other associate members

have contact info readily visible

Refer to AASC members our climate users

How would you like to engage with other members?
